Ms. Williams explained to the council the process and procedures to the application for the CDBG Grant funding. The Town will first have to survey 325 households with a 75% response. The public input and ideas are considered for the final project. The project can only be one item.

Ms. Williams said that the way it used to work you received small amounts every year then, all the city's decided to rotate instead of battling for the money every year.
