

## Huachuca City Police Department Support Data

The Huachuca City Police Department has not raised fees associated with impounds, public records requests and animal control in many years. However, the costs of providing these services have continued to increase. The proposed fee adjustments address those increased operational costs.

To ensure that burden of these costs is not born by taxpayers, the Town of Huachuca City is proposing to increase these fees as follows:

- Video Footage on Disc or Thumb Drive \$46 per video hour (new fee)  
+ cost of storage devices
- Increase animal euthanization fee from \$35 to \$50.00
- Increase deceased animal disposal fee from \$15 to \$20.00
- Dog/Cat Registration/License
  - 1 Year Fixed            from \$8.00 to        \$10.00
  - 1 Year Not Fixed    from \$17.00 to     \$20.00
  - 3 Year Fixed            from \$22.00 to     \$25.00
  - 3 Year Not Fixed    from \$50.00 to     \$55.00

All other Police Department fees remain the same. A comprehensive fee schedule which includes these increases along with fees that are not being changed is attached.

These proposed police department fee increases will be considered by the Huachuca City Town Council on Thursday, December 12, 2024, at 6 PM at Town Hall, located at 500 N. Gonzales Blvd, Huachuca City, AZ.

If approved, these changes will go into effect on January 1, 2025.
