B. Call to the Public – Mayor

A.R.S. 38-431.01 states the Public Body may make an open call to the public during a public meeting, subject to reasonable time, place and manner restrictions, to allow individuals to address the public body on any issue within the jurisdiction of the Public Body. At the conclusion of an open call to the public, individual members of the Public Body may respond to criticism made by those who have addressed the Public Body, may ask staff to review a matter or may ask that a matter be put on a future agenda. However, members of the Public Body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action.

C. New Business Before Council - Mayor

Public comment will be taken at the beginning of each agenda item, after the subject has been announced by the Mayor and explained by staff. Any citizen, who wishes, may speak one time for five minutes on each agenda item before or after Council discussion. Questions from Council Members, however, may be directed to staff or a member of the public through the Mayor at any time.

C.1 Discussion Only [Karen Lamberton]: Council will be presented with the recommendations from the Town of Huachuca City Transportation System: Major Streets and Scenic Route Plan, accepted by Town Council at the September 9, 2021 Town Council Meeting for review, discussion and direction. Staff from the Sierra Vista Metropolitan Planning Organization (SVMPO) and the consulting team, Rick Engineering, will be available to moderate the discussion and provide

information from the completed study results for consideration on prioritizing next action steps to undertake.

Four categories of recommendations may be discussed: Regular Ongoing Transportation Activities; Potential Future Policies and Studies; Funding Strategies and Opportunities and Partnerships and Coordination Efforts. Actions may include direction to staff to bring items forward for possible adoption at the next Town Council meeting on September 23rd or a later Town Council meeting; to partner with other parties to move forward specific goals; direction to staff to take internal actions or to stand-down on items for consideration at a later time. Limitations of resources, both staff and funding, may be discussed as one factor in prioritizing which recommendations to move forward immediately and which ones to phase in at later dates.
