SUNSET CITY NEWS

Volume 2/Issue 3/March 28, 2020

This edition of Sunset City News will focus primarily on the ongoing COVID-19 crisis to include resources and modifications to town operations.

State of Emergency – On March 19, Mayor Wallace issued Proclamation 2020-01 declaring a state of emergency in the town due to the ongoing COVID-19 crisis. Mayor Wallace directed that public access to all town buildings and facilities be closed in the interest of public health. He also directed that all town-scheduled activities creating a gathering of people be cancelled. On March 20, 2020 Mayor Wallace issued a second proclamation based on the news of the first confirmed case of COVID-19 in Cochise County. He directed the implementation of Governor Doug Ducey's executive order 2020-09 which limits the operation of certain businesses such as restaurants and bars. He also directed the suspension of late fees for utility and landfill accounts, directed public works to immediately suspend all service disconnects and directed the Chief of Police to develop, publicize and implement additional protection measures to are for the public and officers. **Full Text of both proclamations is available on our website: huachucacityaz.gov.**

Census 2020 – As we come together to combat the spread of COVID-19, it's never been more critical to respond to the 2020 Census. Your response helps the state plan for situations like this - securing our fair share of resources to meet the needs of Arizonans and representation to advocate for us.

Most of you have already received your invitation to participate in the 2020 Census. According to data available on the 2020 Census website (2020census.gov), **Arizona's current response rate is 29.5%. Cochise County's is 26.8% and Huachuca City's is 34.7%.** For those of you who have already responded, "Thank you!" If you haven't yet responded, please do so. It is easy to respond online or by phone and only takes a few minutes. If you have questions or need assistance, call the Huachuca City Library at 456-1063. Your response has a direct impact on future funds for our state, county and town. **Be counted!**

Community Food Bank – At this time, the drive-thru distribution of Emergency Food Assistance Program (TEFAP) food boxes is still scheduled for Fri, Apr 17 in front of the Senior Center from 8 to 9 am. Please note that if the COVID-19 situation worsens there may be changes to distribution procedures. Call the Huachuca City Library at 520-456-1063 for more information.

The **Chiricahua Mobile Health Clinic** is still scheduled for the 1st and 3rd Wednesday of the month @ Senior Center, from 8:30 am to 4 pm. In addition, the Chiricahua Community Health Centers now offer telehealth appointments call 520-459-3011 or text 520-678-7356 to schedule your appointment!

A NOTE FROM OUR MAYOR - I understand and share many of your concerns as we all work through and deal with the restrictions that we all have to implement to help slow or stop the spread of the Coronavirus. Every day it seems we get nothing but more bad news with respect to its spread here in our own state, or across America. However, I want to assure you that the town is doing everything it can to make sure you are safe. If you haven't noticed, you can no longer sit and eat in our restaurants for the time being. However, please know that they are still open for carry out or delivery. Please be sure to support them during this time. We all know that small businesses are the heart of our nation and behind every small business is a family that is trying to provide for themselves and their employees. Stay strong. Stay healthy. Stay Kind. God Bless You. *~Mayor Johann Wallace~*
