# SUNSET CITY NEWS

Volume 4/Issue 3/March 31, 2022

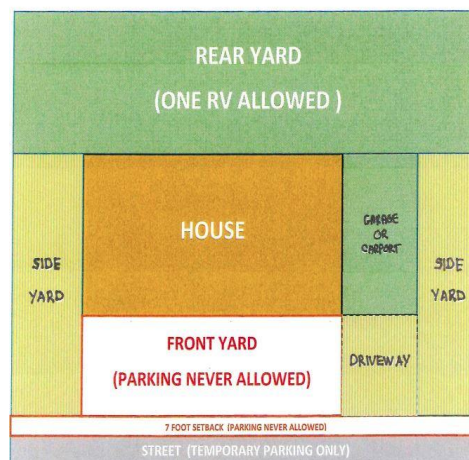

**Animal Control Office-** We would like to introduce you to the new vehicle in the Huachuca City Police Department fleet. First, we say goodbye to the current 1991 Chevrolet truck that has served the town for the past 2.5 yrs. That truck is being retired and replaced by a 2005 GMC 2500HD with a 6 kennel SWAB back end. Our Animal Control Officer Gerald Hursh reached out to the Pinal County Fleet and inquired about any trucks that would be coming available in the future if and asked if they could keep us in mind. The new truck was active on an auction site and sold but was never picked up, so ACO Hursh was contacted by the Pinal County Fleet Department, stating the truck was available if the town was still interested. At the time the answer was yes, Pinal County put the motion to the Pinal County Board of supervisors for approval, the motion was passed, and the truck was picked up on March 2, 2022, by ACO Hursh and Cpl. Olivas. The truck is in great shape, was well cared for, and the kennels are heated and air condition which is a huge benefit for our furry friends that take a ride, while being protected against the elements. Be on the lookout for the new truck patrolling around the town.

**Summer Splash** – The town will be hosting it's Summer Splash camp again this year.
