SUNSET CITY NEWS

Volume 5/Issue 9/September 30, 2023

Town Hall News– The Town of Huachuca City has made customer service easier and more engaging for our citizens. Last year, the Town launched a free mobile application for our town called Sunset City Connection. Residents can submit service requests on the fly from their smartphones or on their computers and will have access to important town information regarding events, alerts, and more. Sunset City Connection features access to the following Resources: Submit Requests/Concerns with the easy access “Start Request” button; Provide multiple photos when submitting a request; Track requests and send messages to Town Staff regarding the status of a request; Receive urgent notifications, such as water outages, from the Town. To download the free app, go to the Apple App Store or Google Play Store and search Sunset City Connection to get connected today.

We want your feedback! As part of our Leffingwell Park upgrade, the town is considering removing the horseshoe pit and integrating the space with the rest of the park. Would you like to see it stay or would you like it to go? Paper copies of the survey will be available at the Town Hall, the Activity Center, and the Library. Please take time to make your voice heard. You will also be able to comment on our Facebook post by visiting <https://www.facebook.com/HuachucaCityAZ>.

All Town offices will be closed on Monday, October 9th, in observance of the Columbus Day Holiday. Regular Town Hall hours will resume Tuesday October 10th at 1pm.

Arts & Craft Fair/Town Wide Yard Sale– On Saturday November 4th, the town is hosting an Art & Craft Fair at the Activity Center along with a Town Wide Yard Sale. Community Garden News – Don’t forget about the Walk Your Way to Wellness community walk. It happens every Sunday. The group meets at the Leffingwell Park sign at 7am for a 30-minute walk. You can walk at your own speed and meet new friends!

Creepy Candy Cruise – On Tuesday, October 31st, the 2023 Creepy Candy Cruise will take place at the Community Center, 201 Yuma Street from 6:00pm-7:30pm. The town invites local businesses, residents, and non-profit organizations to host a free table or trunk at our event to give away candy. There will be prizes for the best decorated table or trunk. Indoor and outdoor spaces are available. Registration is desired so we will know how many spaces to plan for, so please call the library on 520-456-1063 today! A part of Yuma Street next to the Community Center will be blocked off so our participants can cruise on through the event safely.

Fry Fire District – The theme for this year's Fire Prevention Week, October 8-14, 2023, is "Cooking safety starts with YOU! Pay attention to fire prevention!" According to the NFPA, unattended cooking is the leading cause of home cooking fires and related deaths. Here are some helpful tips; • Always keep a close eye on what you are cooking and set a timer to help monitor the cooking area. • Clear the cooking area of

combustible items and anything that can burn, such as dish towels, oven mitts, food packaging, and paper towels. • Turn pot handles toward the back of the stove. Keep a lid nearby when cooking. If a small grease fire starts, slide the lid over the pan and turn off the burner. • Create a "kid and pet free zone" of at least three feet around the cooking area and anywhere else hot food or drink is prepared or carried. Additional Fire Prevention Week resources for children can be found at www.sparky.org.

Animal Control Officer News – Everyone loves fresh eggs but please remember that keeping chickens and ducks within the city limits is prohibited according to the town code, section 6.15.030. A) It is unlawful for any person to keep or cause to be kept any horses, mules, cattle, burros, goats, sheep, swine, geese, turkeys, chickens,

guinea hens, pigeons, rabbits, ducks or other livestock or poultry or fowl within the corporate limits of the town except on parcels of four acres or more. Keeping any of the above-mentioned animals will result in a citation and a fine, and you will need to relocate the animals. If you have any questions, call Animal Control at 520-456-1353. You may see the town code at <https://www.codepublishing.com/AZ/HuachucaCity>.

Police Department News- In partnership with the Tombstone Unified School District, Cpl. Jose Olivas of the HCPD will spearhead our new School Resource Officer (SRO) program for the Huachuca City School, thanks to a grant from the Legacy Foundation of Southeast Arizona. SROs were created in 1953 and are employed by local law enforcement agencies to collaborate closely with school administrators. SROs function as a visual deterrent to crime and to people who wish to do harm, by creating a safe environment for students and staff.

Library News – Our next Spotlight on Speakers program will be about UFO abductions and experiencers. Join us for free on Wednesday, October 18th from 10am-12noon at the Activity Center.
